SUBJECT: Helping Students Learn Award

Each year the Class of 1922 alumni sponsor an award for Outstanding Innovation in Helping Students Learn. Faculty, administrative/professional staff, and graduate students are eligible for consideration for this $6,000 award.

The information about this award, along with the cover sheet which must accompany nominations, is attached. Information can also be found at the Provost Website at http://www.purdue.edu/provost/shtml/faculty/awards.html. Our office will also send an e-mail message to your faculty to inform them of this award.

The deadline for submitting nominations for the Helping Students Learn Award is 5 pm, Friday, February 25th. Thank you for bringing this information to the attention of those who teach in your college/school.
