Total 44-51

*Required Course for Education Option

Seventy-five (75) hours of coursework must be completed at the undergraduate and graduate level.

Thirty-six (36) hours of these 75 hours are required at the graduate level to meet academic requirement for Certification with the American Speech-Language-Hearing Association (ASHA).

Thesis students will only be required to take Evidence-based Practice Approaches.

(Communication Disorders continued)

**STATE OF INDIANA
COMMUNICATION DISORDERS
REPA 3**

511 IAC 15-6-24 Communication disorders

Authority: IC 20-28-2-6

Affected: IC 20-28; IC 25-35.6

Sec. 24. (a) If the department determines an applicant:

- (1) meets the requirements under 511 IAC 15-3-1 to be eligible to serve students with communication disorders;
- (2) has successfully completed a master's degree or higher that substantially applies to communication disorders from an institution of higher learning; and
- (3) meets all other applicable requirements under this title; the license shall list "communication disorders" as a content area.

Sec. 24. (b) The holder of a license with communication disorders is eligible to serve students with communication disorders in any school setting.

Sec. 24. (c) An applicant who is licensed as a speech-language pathologist under IC 25-35.6 shall receive a license with "communication disorders" as a content area. (*Indiana State Board of Education; 511 IAC 15-6-24; filed Nov 18, 2014, 3:51 p.m.: 20141217-IR-511130399FRA*)
