EDST 50100 School Change: Historical, Contemporary, and Policy Perspective (3) OR  
Another appropriate pedagogical core course (3)

**Semester  
Hours**

Select nine (9) credits from a variety of Agricultural Education electives: 9  
All nine (9) credit hours are offered through distance technologies. Courses cover: Introduction to Agricultural Education including history, philosophy, and program planning; Youth Organization Management including FFA; and Occupational Experience in Agriculture including SAE. Students are to work with their advisors to select specific courses.

Possible courses include:

- YDAE 54000 – Program Development in Agricultural and Extension Education (3)
- YDAE 59000 – Special Problems (1-6)
- Students enroll in the areas described above.

EDCI	59300	Introductory Secondary Transition to Teaching Seminar	1
EDCI	69500	Internship in Education*	3
EDCI	59400	Concluding Secondary Transition to Teaching Seminar	2

**Total 18**

\*The EDCI 69500 Internship in Education spans 12 weeks.

Note: Prior to the start of the internship, TTT candidates must demonstrate competency in methods of teaching agricultural education and provide verification of occupational work experience for 4,000 clock hours of successful employment in agriculture or 1,500 clock hours of supervised agricultural work under an approved teacher education program or an equivalent combination. Candidates are to work with their advisor to document this requirement.

The Indiana Team AgEd mentoring program will be utilized to assist with EDCI 69500.

TTT applicants with documentation verifying five (5) years of agricultural occupation experience will be encouraged to combine EDCI 69500 with obtaining a Workplace Specialist I license.
