REMINDER: Student Teaching Application Workshop Registration
February 26, 2015

Dear Teacher Education student:

If you plan to student teach during the spring 2016 semester and you have not yet registered for a workshop, please do so AS SOON AS POSSIBLE.

Please read this ENTIRE email before you take any action.

Visit our Field Experiences Application website to register for a Student Teaching Application Workshop if you meet ALL of the following conditions:

1. You plan to student teach during the spring 2016 semester.
2. You are in a teacher education program OTHER THAN Elementary, Elementary/Special Education, or Early Childhood Education.
3. You have not yet submitted a Student Teaching Application for the spring 2016 semester.

If you are uncertain whether you will STUDENT TEACH during the spring 2016 semester, please consult your academic advisor before registering for a workshop.

Please use the following link to register for one of the three available Conventional Student Teaching Application Workshops during the month of March:

https://discover.education.purdue.edu/feapp/Default.aspx

You will need the following Key Code to register: METSin2015 (please note that the Key Code is case-sensitive)
