Welcome to the 2015-16 Purdue School Year!!! It's not too early to start thinking about study abroad opportunities. Maymester in Tanzania (flyer attached) is a wonderful opportunity to experience a new culture, contribute to service learning projects, spend three weeks in rural schools, live on the Indian Ocean, go on safari, camp in the Serengeti and a local village, etc. There are four upcoming opportunities to learn more about this program:

- Wednesday, 9/2, 10 am - 3:30 pm, STEW 302-306 - Study Abroad Fair
- Tuesday, 9/8, 6 pm, BRNG 2275 - TZ Callout (pizza served)
- Wednesday, 9/9, 10 am - 3 pm, BRNG Lobby
- Wednesday, 9/9, 6 pm, BRNG 2275 - College of Education study abroad callout (pizza served)

If you're looking for a great adventure, this is the program for you! Hope you can make it to one of these! Here are a few photos to give you a flavor of the experience :) Please e-mail me with any questions.
